

GRADE
100%

TOTAL POINTS 4

1 / 1 point

☐ Objective

Tactics describe the high-level tactical goals of attackers and are the top level of organization in the MITRE ATT&CK framework.

1 / 1 point

☐ Technique

Implementations of a particular Technique, like tools, are called Procedures in MITRE ATT&CK.

1 / 1 point

☐ Collection

Resource Development is a PRE-ATT&CK Tactic.

1 / 1 point

☐ True

Not every cyberattack will incorporate every Tactic from the MITRE ATT&CK framework.
